

From Strength to strength

**Engaging
with the
voluntary, community and faith
sector in Tameside**

Think big!

Success

Improved integration of the
Sector in the Partnership's work?
Absolutely!

T3SC

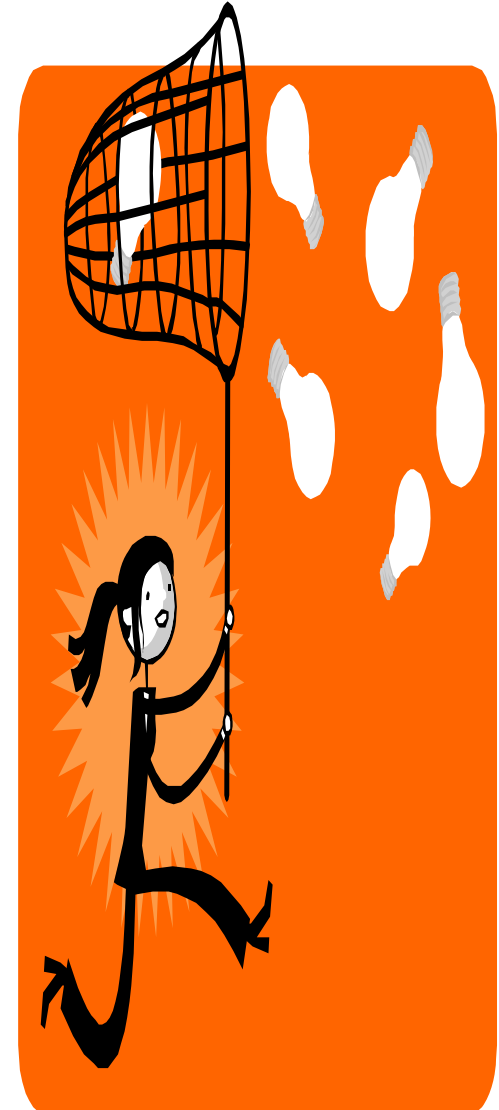

Mapping

- **Build on good information sharing and processes**
- **Communicate more with each other – understand our roles**
- **Celebrate the *whole* sectors contribution**

Priorities

- **Showcasing the sector**
- **Look more clearly at what we've got going !**
- **Build on quality communication channels**
- **Build on best practice in creating learning opportunities**

Priorities

- **Embed linkage to ECM, local area arrangements, the Tameside children's plan**
- **Consider and act upon issues of balance and capacity**
- **Learn together to fund opportunities across the whole locality of Tameside**
- **Measure improvements and showcase the sector again!**

Next steps

Improving the sectors effectiveness and capacity to maximise funding opportunities

working together

- **A broader partnership approach, longer term planning**
- **Agreed expectations – smart targets**
- **Quality monitoring with a role for young people/ parents – stakeholder surveys**
